

Aside from networking with the Denver Senior Coalitions,
this event features a special Panel Discussion ...

“The Expanding Role of Technology in Senior Care”

The panel will answer the questions such as ...

- How can I use this technology to serve my in-home care clients?
- How can senior housing use this technology to keep clients at more active levels?
- Can I use this technology to grow my business?
- Can this technology help with the shortage of caregivers?

Bring YOUR questions!

Coalition Members, Guests & First Time Visitors are welcome!

Limited seating available, **please RSVP** through Eventbrite - [CLICK HERE](#)
